- Familiarity with Agile, Waterfall & Hybrid Methodologies
- Tools: Adobe Creative Suite, Asana, Smartsheet, Workfront, Microsoft Project
- 508 Compliance / Accessibility Standards

Professional Experience

Senior Creative Project Manager
Ogilvy DC – Washington, DC | Feb 2023 – Apr 2025

- Led integrated campaigns for FEMA and Ecolab, managing multi-channel deliverables across digital, print, and live events.
- Directed trade show booth design and collateral development for FEMA, supporting public engagement at national emergency preparedness and disaster recovery conferences. Oversaw layout, graphics, printed handouts, and branded materials.
- Managed Ecolab's annual national sustainability events, overseeing concept development, creative direction, logistics, and execution across key U.S. markets.
- Developed project plans, budgets, timelines, and coordinated production and vendor logistics to ensure seamless delivery.

- Oversaw creative deliverables including video content, signage, environmental branding, and presentation materials, ensuring alignment with Ecolab's sustainability messaging.
- Delegated tasks across internal teams and vendors, serving as the primary point of contact for client stakeholders throughout the planning and execution phases.
- Maintained quality control and ensured timely, on-brand delivery across all experiential and campaign touchpoints.

Freelance Senior Creative Producer / Consultant
Porter Novelli – Washington, DC | Jul 2022 – Feb 2023
- Produced content and executive programming for AstraZeneca.
- Managed vendor contracts, licensing, and logistics for video production.
- Developed scalable frameworks to meet campaign demands.

Freelance Project Planner / Consultant
S&P Global – | Nov 2021 – Mar 2022
- Supported internal creative operations with project planning, scheduling, and resource alignment.
- Worked closely with internal teams to streamline intake processes and prioritize deliverables.
- Assisted with data tracking and reporting to improve project forecasting and capacity management.

Freelance Project Planner / Consultant
Syneos Health – | Jul 2021 – Sep 2021
- Created executive content and video deliverables for AstraZeneca campaigns.
- Oversaw vendor coordination and delivery pacing.

Production Director
Hager Sharp – Washington, DC | Jul 2014 – Jan 2020
- Directed production of national behavior-change campaigns in food safety, education, and public health, including tradeshow booths, conference collateral, and branded exhibit materials.
- Delivered print and digital assets for FDA, USDA, NIH, and Department of Education across multimedia platforms and national events.
- Led the rebrand and event presence for the National Association for Behavioral Healthcare, including booth design, branded swag, signage, and presentation materials.
- Managed creative development of brochures, banners, wayfinding signage, and printed collateral for exhibit halls and regional convenings.

Education
Trenton Central High School – 1983
